INDUSTRY OVERVIEW

Transport, Postal and Warehousing

If you're interested in air, road, maritime, rail or land transport, then the Transport, Postal and Warehousing industry could be for you. The Transport, Postal and Warehousing industry is responsible for the safe and prompt delivery of people and goods via a variety of channels, including scenic and sightseeing transport, and for the storage and sorting or «warehousing' of freight before delivery. The sector encompasses logistics (managing & organising the transport), infrastructure, (such as roads, air and rail), and numerous support roles such as customs officers, couriers, tugboat operators and forklift drivers. If you choose this vocational pathway you could work in road transport as a bus, train or taxi driver; in construction as a mobile crane operator; or even in coastal or ocean-going marine operations as a deckhand, engine driver or cook. There are many possibilities!
