INDUSTRY OVERVIEW

Health Care and Social Assistance

Are you interested in helping people improve their health? Do you enjoy caring for others? Perhaps you would like to assist people experiencing a disability, or are keen to get involved in the wellness industry. If you are intrigued by these possibilities, a job in the Health Care and Social Assistance sector may be for you. The Health Care and Social Assistance industry encompasses a diversity of occupations, ranging from fields such as dental hygiene, optometry, pharmacy, disability services, mental health and aged-care, to fitness training, sports science, lifestyle coaching and nutrition. The Health Training Package offers over 75 Vocational and Training (VET) qualifications, so if you're interested in health you'll probably find an occupation and qualification to suit you! Don't forget it's possible to begin your Health Care and Social Assistance career by training for VET qualifications to start with before possibly working your way up to a University Degree. The Health Care and Social Assistance sector has experienced strong growth in the last ten years, making it one of Australia's largest employers and the growth is forecast to continue, so jobs in this industry are expected to be plentiful.
